

**INVENTOR'S RESPONSE TO NON-FINAL OFFICE  
CORRESPONDENCE**

Re: Patent Application # 10/791,614 filed on 03/03/2004

“Confirmation number 2667”

To: Examiner Mark J. Beauchaine of Art Unit 3653

Dear Examiner Beauchaine:

This letter including the proposed amendments set forth herein responds to your Non-Final Office Communication mailed on 10/17/2005 concerning the Patent Application # 10/791,614 filed on 03/03/2004.

**DRAWINGS**

Please find enclosed the proposed amended drawings (Figures) 2A, 4, 5A, and 5B. They were re-drawn on a computer to achieve “uniform” line thicknesses, darkness, etc., and crisp letters.

**AMENDMENTS**

Please amend the claims as follows, the underlined matter being added, and the struck-through [bracketed] matter is to be deleted:

“1. (Amended) A spade-pointed coin wrapper, wherein the wrapper is made of a paper-thin material.”

”4 (Amended) The spade-pointed coin wrapper of claim 1 wherein the spade point resembles the point of a [~~new~~]spade-pointed [~~garden~~] shovel.”
